Don't hide Get out & ride!

February 5th 2011, we had a great breakfast @ Flo's & a nice ride around the Chino Hills, Diamond Bar & Brea. Judi & Marie piloted the trouble truck & 6 bikes were on the road, Byron & Shanon on their 59 Pan, John, 49 Pan, Hoken, 56 Pan, Craig 63 Pan, Eric on his Kawaie & Byron's Parents Dave & Gwen on their Honda Gold Wing. So as I see it we had Pandemonium. The ride was of the shorter variety so we had plenty of time @ The Planes of Fame Museum. There was a big event going on & we got to see a P-38 flying around. Inside the museum there was plenty to see. We spent a couple of hours exploring then the group headed for their bikes. Byron's group headed back to Victorville, John, Marie, Eric, Hoken, Judi & I headed back to Flo's for some cobbler. We missed ya. (:o)

John & I decided to sign up for the Borrego Springs winter road run hosted by the So Cal chapter. I had not been to Borrego since about 2002 & John last attended in 1997. We trailer down Thursday morning & arrived about 11 am. There were plenty of bikes & riders already there. We signed in & decided to do the tour of the town ride with Hoken & Rotten Richard Morris. The tour of the town is a bar hop to collect treasure cards. At the second stop we met up with Paul & Mark from the Yerba Buena chapter down from the S.F. Bay area to soak up some sun. Mark, Paul, Hoken, John & I rode together most of the weekend.

Friday the ride headed up to Julian, with 85 bikes on the road. It was a bit cooler up the hill but by no means cold. We stopped for Pie @ Mom's then lunch @ an Indian Casino, I gave the Indians no wampum in the Casino. We ran into a bit of sand on Mesa Verde road & was a bit harry but we made it thru unscaved. We spent the evening bench racing in the parking lot.

Saturday was the run to Ocotillo, A the gas station we met a rider on a 67 BMW 500, We sent him out in the lead for a nice 20 mile game of hair & hound. Lunch was served @ the Canebrake community center then more hair & hound, we added a few miles & went back over Montezuma then out to the Iron door. The banquet was very nice; John & I both won some treasure with our cards collected on Friday. Tim, Janis & the So Cal chapter do a very good job of hosting a ride, and I highly recommend attending next year.
